

until June 30th for the upcoming funding year. On June 30th each rate-of-return carrier will be permitted to submit to the Administrator an update to the projected data for the funding year ending on that date.

(4) Each rate-of-return carrier shall submit to the Administrator on December 31st of each year the data necessary to calculate a carrier's Interstate Common Line Support, including common line cost and revenue data, for the prior calendar year. Such data shall be used by the Administrator to make adjustments to monthly per-line Interstate Common Line Support amounts in the final two quarters of the following calendar year to the extent of any differences between the carrier's ICLS received based on projected common line cost and revenue data and the ICLS for which the carrier is ultimately eligible based on its actual common line cost and revenue data during the relevant period.

(b) Upon receiving the information required to be filed in paragraph (a) of this section, the Administrator shall:

(1) Perform the calculations described in §54.901;

(2) Publish the results of these calculations showing Interstate Common Line Support Per Line available in each rate-of-return carrier study area, by Disaggregation Zone and customer class;

(3) Perform periodic reconciliation of the Interstate Common Line Support provided to each carrier based on projected data filed pursuant to paragraph (a)(3) of this section and the Interstate Common Line Support for which each carrier is eligible based on actual data filed pursuant to paragraph (a)(4) of this section.

(4) Collect the funds necessary to provide support pursuant to this subpart in accordance with subpart H of this part;

(5) Distribute support calculated pursuant to the rules contained in this subpart; and

(6) Report quarterly to the Commission on the collection and distribution of funds under this subpart as described in §54.702(i). Fund distribution reporting will be by state and by eligible

telecommunications carrier within the state.

#### § 54.904 Carrier certification.

(a) *Certification.* Carriers that desire to receive support pursuant to this subpart shall file a certification with the Administrator and the Federal Communications Commission stating that all Interstate Common Line Support provided to such carrier will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. Support provided pursuant to this subpart shall only be provided to the extent that the carrier has filed the requisite certification pursuant to this section.

(b) *Certification format.* A certification pursuant to this section may be filed in the form of a letter from an authorized representative for the carrier, and must be filed with both the Administrator and the Office of the Secretary of the Federal Communication Commission clearly referencing CC Docket No. 96-45, on or before the filing deadlines set forth in paragraph (d) of this section.

(c) All of the certifications filed by carriers pursuant to this section shall become part of the public record maintained by the Commission.

(d) *Filing deadlines.* In order for a rate-of-return carrier, and/or an eligible telecommunications carrier serving lines in the service area of a rate-of-return carrier, to receive Interstate Common Line Support, such carrier must file an annual certification, as described in paragraph (b) of this section, on the date that it first files its line count information pursuant to §54.903, and thereafter on June 30th of each year.
